

RATE SCHEDULE #15

LYON-LINCOLN ELECTRIC COOPERATIVE, INC. STATION SERVICE RATE For Waste Heat to Energy Conversion Systems

SUMMARY OF RATES EFFECTIVE January 2017

STATION SERVICE RATE – Waste Heat to Energy Conversion
Systems

Monthly Minimum: \$60.00 plus applicable power costs*.

ALL kWh in excess of 1,467 kWhs will be billed with a 1.0 cent
(\$0.01) adder to charges LLEC receives from its power supplier, East
River Electric Power Cooperative.

*Power Costs will be determined by the power bill that Lyon-Lincoln Electric
Cooperative receives from East River Electric Power Cooperative, Inc. each
month. Demand charges will be passed through to consumer and energy rate will
include a 1.0 cent (\$0.01) per kWh adder for administration charges.
