

LYON-LINCOLN ELECTRIC COOPERATIVE, INC.  
TYLER, MINNESOTA 56178

RETAIL RATE SCHEDULE #9  
COMMERCIAL & INDUSTRIAL OVER 50KVA (COINCIDENTAL)

AVAILABILITY:

Available to users having large power use requirements subject to acceptance by the Board of Directors.

TYPE OF SERVICE:

Alternating current at available secondary voltage. Non-standard service voltages may require a separate contractual arrangement to protect the Cooperative from loss due to purchase on non-standard equipment.

RATE:

This rate is composed of an energy charge, a coincidental demand charge and a monthly customer charge. The demand charge will be based on the KW demand of the member at the time of East River's monthly peak billed demand.

Energy Charge:

All KWH's @ 5.7¢/KWH

Demand Charge (Coincidental):

\$20.25 per KW of maximum monthly demand

Customer Charge:

\$80.00 per month

Rate Effective January 1, 2017

Rate Approved October 24, 2016
